

**At-A-Glance Seller Details  
2018 Fall and Winter Sale**

[www.kindermartsale.com](http://www.kindermartsale.com) Questions: [info@kindermartsale.com](mailto:info@kindermartsale.com)

Here is a quick list of tips to help you – the seller – have a successful experience selling at KinderMart! This “at-a-glance” does not replace reading the complete seller packet for details, and **we cannot accept your items if they do not adhere to KinderMart rules**. We want our sellers to understand that these rules are for the benefit of the sale and the seller. Many years of experience have gone into making this a successful event for everyone. We look forward to this being the best sale to date. Thank you for your participation!

**Key Tips:**

- Tags must be printed on white CARDSTOCK, min 65lbs. No other tags will be accepted.
- Clothing **MUST** be hung from WIRE hangers with the hook facing left, as seen here: 
- Tags **MUST** be pinned with SAFETY PINS, no other type of pin will be accepted. Pin tag on upper RIGHT corner of clothing.
- Clothing items **MUST** be seasonally appropriate; this includes shoes and active wear.
- Sort **ALL** clothes before beginning tagging.
  1. Divide by Boy and Girl
  2. Separate into sizes – smallest to largest.
  3. Within each size, group same brands together. Ex: put all 2T Carters then 2T OshKosh, etc
  4. Tagging in My Consign will keep you size and description so you will have less information to type.
  5. Keep clothes like this for drop off! Clothing must be in order by SIZE and GENDER before drop off.
- Attach pants to the **top** of the hanger beside the hook. This way will not fall down and hang from the bottom of the hanger.
- Seal all bagged items with CLEAR PACKING TAPE. Tags must also be attached to the OUTSIDE of the bag with CLEAR PACKING TAPE. Do not cover barcode.
- ANY item that requires batteries must work. REPLACE BATTERIES if needed.
- All items must be free of stains, odor and pet hair. Hard surfaces must be free of dirt, dust and mildew.
- ALL car and booster seats are accepted as long as they are in good condition.
- We accept Breast Pumps and their UNOPENED accessories.
- We accept the following NEW items only, this means UNOPENED:
  - New baby bottles and nipples
  - New pacifiers
  - New sippy cups
- We accept up to 20 pairs of SEASONALLY APPROPRIATE shoes, in good/great condition only.
- Drop off procedure: Please register for an item drop-off appointment. No need to come into the building! Just pull your car up to the Welcome Center, and volunteers will unload your car for you. Please read the full Seller Packet for details.

**Seller Checklist:**

- Register as a seller.
- Tag your items in MyCM system.
- Print and affix your tags.
- Register for an item drop-off time.
- Shop the seller sale.
- Make lots of money!
- Promptly cash your check
